THE POTTING ROOM

Homegrown in the Sanderson Studio, The Potting Room collection from Sanderson HOME celebrates the British love of kitchen gardens and rustic allotments with a charming, hand-crafted relaxed country feel.

Inspired by country farmer's markets, natural wildflower gardens and the humble garden shed, each design has been hand-drawn or created with hand-printed techniques in a delightful Potting Shed colour palette. Rich tones of Brick, Barley and Fig are layered with calming Dove and Duck Egg shades on beautifully light cottons and linens to create a relaxed country feel.

Beautifully crafted on elegantly light cottons and linens, The Potting Room Prints & Embroideries are complemented by the versatile and tactile The Potting Room Weaves. For a perfectly harmonised look within your home, The Potting Room Wallpapers offer a mixture of standard and wide-width wallpapers, perfect for homemakers seeking easy to use decorating schemes.
